If there are technical issues with the system, or you want to complete your application some other time, you can save your work and later, start where you left off. In order to access your application later, however, you will need: (1) your Application ID, and (2) the answer to the security question that you will choose on this page.

To choose a security question, pick the one you like the best from the dropdown list, type your answer to that question in the box below, and click "Continue." Remember: In order to access your application later, you will need to know the answer **exactly as you wrote it on this page**.

You can also use your Application ID and security question to retrieve your Confirmation Page after you have submitted your application, or to use your previously provided application information to complete a new application at a later date.

If you do not plan to complete your application within the next 30 days, download your application to your computer by clicking the "Save" button at the bottom of the last completed page. Follow the instructions. When you are ready to complete your application, select "Upload an Application". E-Sign and Certification

Sign and Submit

You have indicated that you are traveling for two or more purposes which could require more than one visa being issued. Please note that if more than one visa is to be issued, you will have to pay application and reciprocity fees for each.

Read the following information carefully before dating, electronically signing and submitting the application.

Your application is now ready to be submitted. Please note that this does not necessarily mean that your application for a nonimmigrant visa is complete, as additional information may be needed after Department of State personnel have reviewed the application.

By clicking "Sign and Submit Application" you are electronically signing the application. You are required to electronically sign your application yourself, unless otherwise exempt by regulation, even if the application has been prepared by someone other than yourself. Your electronic signature certifies that you have read and understood the questions in this application and that your answers are true and correct to the best of your knowledge and belief. The submission of an application containing any false or misleading statements may result in the permanent refusal of a visa or the denial of entry into the United States. All declarations made in this application are unsworn declarations made under penalty of perjury. (28 U.S.C. 1746).

Additionally, by clicking "Sign and Submit Application" you are certifying that you understand that you are required to submit your visa to the United States Immigration Officer at the port where you apply to enter the United States, and that possession of the visa does not entitle you to enter the United States if, upon your arrival, you are found to be inadmissible under U.S. immigration laws. You are certifying that you understand that any willfully false or misleading statement or willful concealment of a material fact made by you within the application may subject you to permanent exclusion from the United States and, if you are admitted to the United States, may subject you to criminal prosecution and/or deportation.

The information that you have provided in your application and other information submitted with your application may be accessible to other government agencies having statutory or other lawful authority to use such information, including for law enforcement and immigration law enforcement purposes. If fingerprints are collected as part of your application process, they may be used for the purpose of comparing them to other fingerprints in the FBI's Next Generation Identification (NGI) fingerprint system or its successor systems (including civil, criminal, and latent fingerprint repositories). The photograph that you provide with your application may be used for employment verification or other U.S. law purposes.

Once you have clicked "Sign and Submit Application" you will be unable to make changes. Electronically sign by clicking the button below after you have reviewed the information in your application and determined that it is correct.
